

For those who want to start feeding baby food or those who have started but not going well...

Reiwa 6th year (April 2024-March 2025) Kusatsu city

Information on Baby Food Restaurant

~Contents and the image of event~

Taste testing is available for only adult. Please try the flavor and softness of baby food♪

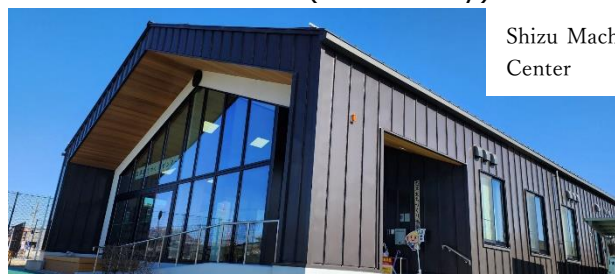

We're looking forward to seeing you!

Baby food restaurant is running by local "Kenkou Suishin In" (Health Promotion Worker). We talk about "Shokuiku (Food and Nutrition Education)" as well.

★We hold the event at Sawayaka Hoken Center or Machizukuri (community) Center.

You can exchange of information about daily childcare at the mixer. Don't be shy, you can ask anything to us!

Shizu Machizukuri Center

Everyone is welcome to Machizukuri Center! You can also find information on local event and child rearing here.

Our registered dietician or public health nurse is available. They will answer your question.

Scan this QR code for application and details

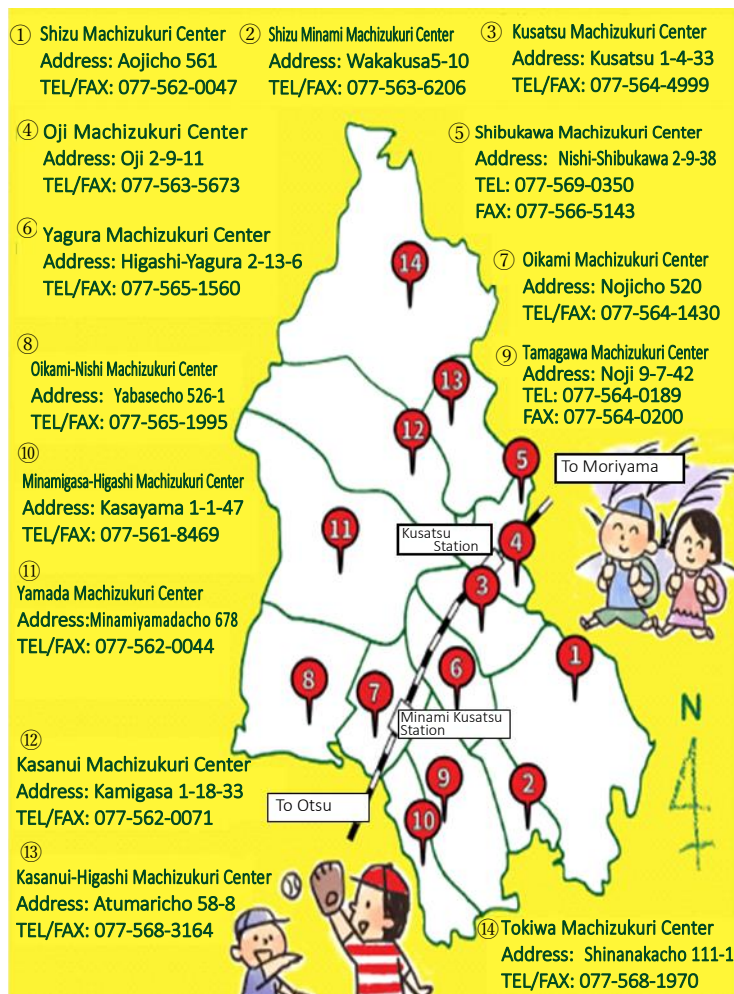

Information about baby food and cooking videos are also available♪
